And

Hon. Shree. Babanrao Pachpude Vichardhara Trust's Group of Institutions kashti.

Approved by AICTE, New Delhi, Recognized by Govt. of Maharashtra,
Affiliated to Savitribai Phule Pune University.
A/P – Kashti, Tal – Shrigonda, Dist – Ahmednagar, Pin-414701

Memorandum of Understanding

The MEMORANDUM OF UNDERSTANDING (MOU) is between **AISSMS's College of Pune-01** (Hereafter called AISSMSCOE) as **Mentor Institute** approved under the scheme of 'Paramarsh' for Mentoring NAAC Accreditation Aspirant Institutions to promote Quality Assurance in Higher Education and **Hon. Shree. Babanrao Pachpute Vichardhara Trust's Group of Institutions, Kashti** (Hereafter called HSBPVT GOI KASHTI) as **Mentee Institute**, jointly work to enhance the overall quality and mentoring the non-accredited mentee Institution to get an NAAC accreditation, is signed on 20 September 2019.

This MOU entered into between AISSMSCOE and Hon. Shree. Babanrao Pachpute Vichardhara Trust's Group of Institutions, Kashti represented in this MOU by the respective Heads of institution on behalf of Governing Council, of their Institutes which shall mean and include their successors in interest and assigns.

Following points are agreed upon as part of this understanding:

Terms & Conditions

1. Mentoring will facilitate the following

- Training of Faculty and staff for processes, documentation, presentation
- Sharing of knowledge, information and resources
- Opportunities for research collaboration and faculty development
- Guidance and encouragement to institutions to adopt best practices.

2. Nature of Relationship:

This MOU is for collaboration between both parties, for mutual benefit.

Mentee Benefits:

- Brings about enhancement in the overall Quality of the Mentee Institutions.
- Enhances the profile of institutions as a result of improved quality of research, teaching and learning methodologies.
- Receive support in the professional Development of Academics.
- Increased exposure and speedier adaption to best practices.

Mentor Benefits:

- Additional learning acquired from experience
- Intellectual challenge of working in different environment
- Opportunities for increased collaboration
- Satisfaction of helping other and see them succeed.

This MOU will be valid for one year from the date of signing and can be extended upto two years. Both parties shall take all reasonable steps to ensure the successful completion of the collaboration and NAAC accreditation of mentee institute and co-operate with each other.

3. Mutual Obligation:

Mentor institute shall meet the expenses as per UGC guidelines.

Each party shall respect the other's intellectual property (IP) and shall not use any trade name, trademark, symbol/logo, or designation belonging to the other, with prior written approval.

Both parties shall maintain confidentiality about any information, course material, plans, discussions, strategies or any other material, which shall be deemed to be confidential and marked accordingly. Any information, course material or the like in the public domain shall not be part of this commitment.

Both parties shall maintain record of execution of the implementation Plan which includes various activities like mentor-mentee meetings, developing strategies, defining goals and deliverables.

The mentee institutions may undergo the complete Accreditation process with the help of mentor institution in order to prepare them for the actual NAAC assessment process.

3 General

3.1.1 Both parties will designate a representative from its side who will be the primary point of contact on behalf of that party.

AMENDMENT TO THE MOU

No amendment or modification of this MOU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to an amendment of this agreement. The modification/ changes shall be effective from the date on which they are made/ executed unless otherwise agreed to.

ARBITRATION

In the events of any dispute or difference between the parties hereto, such disputes or differences shall be resolved amicably by mutual discussion of the Principal/Directors of both the institutes.

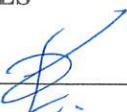

Now, therefore, for and in consideration of the foregoing premises the parties have signed the Memorandum of understanding on 20/09/2019.

Two handwritten signatures in blue ink. The signature on the left is a stylized 'S' with a horizontal line underneath. The signature on the right is 'Watif' with a horizontal line underneath.

And

CHHATRAPATI SHAHU MAHARAJ SHIKSHAN SANSTHA
CSMSS, Chh. Shahu College of Engineering

The MEMORANDUM OF UNDERSTANDING (MOU) is between AISSMS's College of Pune-01(Hereafter called AISSMSCOE) as **Mentor Institute** approved under the scheme of 'Paramarsh' for Mentoring NAAC Accreditation Aspirant Institutions to promote Quality Assurance in Higher Education and CSMSS Chh. Shahu College of Engineering (Hereafter called CSMSS CSCOE) as **Mentee Institute**, jointly work to enhance the overall quality and mentoring the non-accredited mentee Institution to get an NAAC accreditation, is signed on 20 Sept 2019.

This MOU entered into between AISSMSCOE and CSMSS Chh. Shahu College of Engineering represented in this MOU by the respective Heads of institution on behalf of Governing Council, of their Institutes which shall mean and include their successors in interest and assigns.

Following points are agreed upon as part of this understanding:

Terms & Conditions

1. Mentoring will facilitate the following

- Training of Faculty and staff for processes, documentation, presentation
- Sharing of knowledge, information and resources
- Opportunities for research collaboration and faculty development
- Guidance and encouragement to institutions to adopt best practices.

2. Nature of Relationship:

This MOU is for collaboration between both parties, for mutual benefit.

Mentee Benefits:

- Brings about enhancement in the overall Quality of the Mentee Institutions.
- Enhances the profile of institutions as a result of improved quality of research, teaching and learning methodologies.
- Receive support in the professional Development of Academics.
- Increased exposure and speedier adaption to best practices.

Mentor Benefits:

- Additional learning acquired from experience
- Intellectual challenge of working in different environment
- Opportunities for increased collaboration
- Satisfaction of helping other and see them succeed.

This MOU will be valid for one year from the date of signing and can be extended upto two years. Both parties shall take all reasonable steps to ensure the successful completion of the collaboration and NAAC accreditation of mentee institute and co-operate with each other.

3. Mutual Obligation:

Mentor institute shall meet the expenses as per UGC guidelines.

Each party shall respect the other's intellectual property (IP) and shall not use any trade name, trademark, symbol/logo, or designation belonging to the other, with prior written approval. Both parties shall maintain confidentiality about any information, course material, plans, discussions, strategies or any other material, which shall be deemed to be confidential and marked accordingly. Any information, course material or the like in the public domain shall not be part of this commitment.

Both parties shall maintain record of execution of the implementation Plan which includes

various activities like mentor-mentee meetings, developing strategies, defining goals and deliverables.

The mentee institutions may undergo the complete Accreditation process with the help of mentor institution in order to prepare them for the actual NAAC assessment process.

3 General

3.1.1 Both parties will designate a representative from its side who will be the primary point of contact on behalf of that party.

AMENDMENT TO THE MOU

No amendment or modification of this MOU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to an amendment of this agreement. The modification/ changes shall be effective from the date on which they are made/ executed unless otherwise agreed to.

ARBITRATION

In the events of any dispute or difference between the parties hereto, such disputes or differences shall be resolved amicably by mutual discussion of the Principal/Directors of both the institutes.

Now, therefore, for and in consideration of the foregoing premises the parties have signed the Memorandum of understanding on 20/09/2019.

Sub. : - Letter of Thanks & Appreciation.

Respected Sir,

Greetings from "CSMSS CHH. SHAHU COLLEGE OF ENGINEERING, AURANGABAD."!!

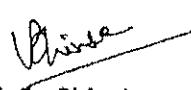

With reference to above subject matter, we are extremely thankful to you, for conducting an Online Webinar on the topic "CO, PO, PSO ASSESSMENT AND ATTAINMENT", under UGC Paramarsh Scheme for our faculty members. This opportunity and interactions has been beneficial for our faculty members and will help them to do the above said activity in an improved manner. We are highly honored and delighted for your valuable experience sharing & sparing time.

We are committed to impart value based education & skills to match with new technological evolutions & growing demands of the Industry. Designing flexible, practical oriented conducive systems, Training Programs for Faculty & Students, Workshops, Internship, and Setting up of High Performance Lab - Centre of Excellence ... are the other areas, where we need your kind help, support and guidance.

We are confident & hopeful that "AISSMS, College of Engineering" will extend its further help & cooperation to achieve "Quest for Excellence ... Cohesively".

Looking forward for a long term association Please.

Thanks with best Regards.

Sub.: Letter of Thanks & Appreciation.

Respected Sir,

Greetings from "CSMSS CHH. SHAHU COLLEGE OF ENGINEERING, AURANGABAD" II

With reference to above subject matter, we are extremely thankful to you for conducting an Online Webinar on the topic "NAAC CRITERIA 5" under UGC Paramarth Scheme for our faculty members. This opportunity and interactions has been beneficial for our faculty members and will help them to do the criteria related work allotted to them in improved manner. We are highly honored and delighted for your valuable experience sharing & sparing time.

We are committed to impart value based education & skills to match with new technological evolutions & growing demands of the industry. Designing flexible, practical oriented conducive systems, Training Programs for Faculty & Students, Workshops, Internship, and Setting up of High Performance Lab - Centre of Excellence ... are the other areas, where we need your kind help, support and guidance.

We are confident & hopeful that "AISSMS, College of Engineering" will extend its further help & cooperation to achieve "Quest for Excellence ... Cohesively".

Looking forward for a long term association Please.

Thanks with best Regards.

Dr. U. B. Shinde

Terna Public Charitable Trust's
College Of Engineering-Osmanabad

Memorandum of Understanding

The MEMORANDUM OF UNDERSTANDING (MOU) is between AISSMS's College of Pune-01(Hereafter called AISSMSCOE) as **Mentor Institute** approved under the scheme of 'Paramarsh' for Mentoring NAAC Accreditation Aspirant Institutions to promote Quality Assurance in Higher Education and TPCT's College of Engineering,Osmanabad (Hereafter called COEO)as **Mentee Institute**, jointly work to enhance the overall quality and mentoring the non-accredited mentee Institution to get an NAAC accreditation, is signed on 20 Sept, 2019.

This MOU entered into between AISSMSCOE and COEO represented in this MOU by the respective Heads of institution on behalf of Governing Council, of their Institutes which shall mean and include their successors in interest and assigns.

Following points are agreed upon as part of this understanding:

Terms & Conditions

1. Mentoring will facilitate the following

- Training of Faculty and staff for processes, documentation, presentation
- Sharing of knowledge, information and resources
- Opportunities for research collaboration and faculty development
- Guidance and encouragement to institutions to adopt best practices.

2. Nature of Relationship:

This MOU is for collaboration between both parties, for mutual benefit.

Mentee Benefits:

- Brings about enhancement in the overall Quality of the Mentee Institutions.
- Enhances the profile of institutions as a result of improved quality of research, teaching and learning methodologies.
- Receive support in the professional Development of Academics.
- Increased exposure and speedier adaption to best practices.

Mentor Benefits:

- Additional learning acquired from experience
- Intellectual challenge of working in different environment
- Opportunities for increased collaboration
- Satisfaction of helping other and see them succeed.

This MOU will be valid for one year from the date of signing and can be extended upto two years. Both parties shall take all reasonable steps to ensure the successful completion of the collaboration and NAAC accreditation of mentee institute and co-operate with each other.

3. Mutual Obligation:

Mentor institute shall meet the expenses as per UGC guidelines.

Each party shall respect the other's intellectual property (IP) and shall not use any trade name, trademark, symbol/logo, or designation belonging to the other, with prior written approval.

Both parties shall maintain confidentiality about any information, course material, plans, discussions, strategies or any other material, which shall be deemed to be confidential and marked accordingly. Any information, course material or the like in the public domain shall not be part of this commitment.

Both parties shall maintain record of execution of the implementation Plan which includes various activities like mentor-mentee meetings, developing strategies, defining goals and deliverables.

The mentee institutions may undergo the complete Accreditation process with the help of mentor institution in order to prepare them for the actual NAAC assessment process.

3 General

3.1.1 Both parties will designate a representative from its side who will be the primary point of contact on behalf of that party.

AMENDMENT TO THE MOU

No amendment or modification of this MOU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to an amendment of this agreement. The modification/ changes shall be effective from the date on which they are made/ executed unless otherwise agreed to.

ARBITRATION

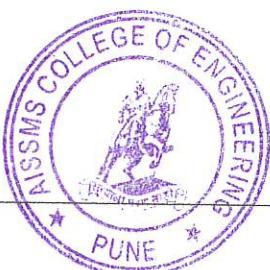

In the events of any dispute or difference between the parties hereto, such disputes or differences shall be resolved amicably by mutual discussion of the Principal/Directors of both the institutes.

Now, therefore, for and in consideration of the foregoing premises the parties have signed the Memorandum of understanding on 20/09/2019.

The primary point of contact from the mentor and mentee institute are:

Memorandum of Understanding

The MEMORANDUM OF UNDERSTANDING (MOU) is between AISSMS's College of Pune-01 (Hereafter called AISSMSCOE) as **Mentor Institute** approved under the scheme of 'Paramarsh' for Mentoring NAAC Accreditation Aspirant Institutions to promote Quality Assurance in Higher Education and M. B. E. Society's College of Engineering, Ambajogai (Hereafter called COEA) as **Mentee Institute**, jointly work to enhance the overall quality and mentoring the non-accredited mentee Institution to get an NAAC accreditation, is signed on 20 Sept 2019.

This MOU entered into between AISSMSCOE and <COEA> represented in this MOU by the respective Heads of institution on behalf of Governing Council, of their Institutes which shall mean and include their successors in interest and assigns.

Following points are agreed upon as part of this understanding:

Terms & Conditions

1. Mentoring will facilitate the following

- Training of Faculty and staff for processes, documentation, presentation
- Sharing of knowledge, information and resources
- Opportunities for research collaboration and faculty development
- Guidance and encouragement to institutions to adopt best practices.

2. Nature of Relationship:

This MOU is for collaboration between both parties, for mutual benefit.

Mentee Benefits:

- Brings about enhancement in the overall Quality of the Mentee Institutions.
- Enhances the profile of institutions as a result of improved quality of research, teaching and learning methodologies.
- Receive support in the professional Development of Academics.
- Increased exposure and speedier adaption to best practices.

Mentor Benefits:

- Additional learning acquired from experience
- Intellectual challenge of working in different environment
- Opportunities for increased collaboration
- Satisfaction of helping other and see them succeed.

This MOU will be valid for one year from the date of signing and can be extended up to two years. Both parties shall take all reasonable steps to ensure the successful completion of the collaboration and NAAC accreditation of mentee institute and co-operate with each other.

3. Mutual Obligation:

Mentor institute shall meet the expenses as per UGC guidelines.

Each party shall respect the other's intellectual property (IP) and shall not use any trade name, trademark, symbol/logo, or designation belonging to the other, with prior written approval.

Both parties shall maintain confidentiality about any information, course material, plans, discussions, strategies or any other material, which shall be deemed to be confidential and marked accordingly. Any information, course material or the like in the public domain shall not be part of this commitment.

Both parties shall maintain record of execution of the implementation Plan which includes various activities like mentor-mentee meetings, developing strategies, defining goals and deliverables.

The mentee institutions may undergo the complete Accreditation process with the help of mentor institution in order to prepare them for the actual NAAC assessment process.

3 General

Both parties will designate a representative from its side who will be the primary point contact on behalf of that party.

AMENDMENT TO THE MOU

No amendment or modification of this MOU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to an amendment of this agreement. The modification / changes shall be effective from the date on which they are made / executed unless otherwise agreed to.

ARBITRATION

Date :- 06th Nov. 2019

Venue :- Dnyanshree Institute of Engineering & Technology,
Satara.

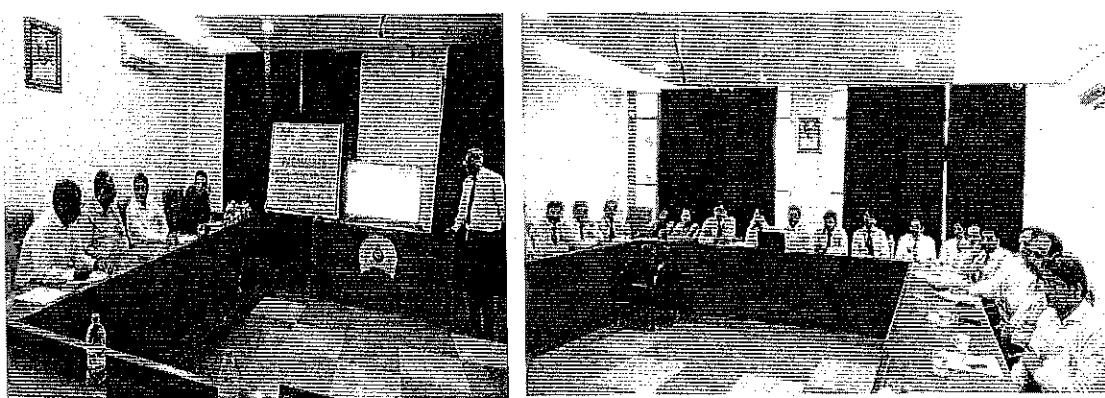

**Guest from All India Shri Shivaji Memorial Societies College of
Engineering, Pune:**

1. Dr. D.S. Bormane, Principal, AISSMCOE, Pune.
2. Dr.D.G. Bhalke, NAAC-coordinator, AISSMSCOE, Pune.
3. Dr.C.S. Choudhary, IQAC- coordinator, AISSMSCOE, Pune.
4. Mr. A.B. Bhosale, Administrative officer, AISSMSCOE, Pune.

Dr. A.D. Jadhav, Principal Dnyanshree Institute of Engineering & Technology, Satara welcomed all team members of AISSMSCOE, Pune. NAAC steering committee members from DIET presented brief information on various activities of the institute.

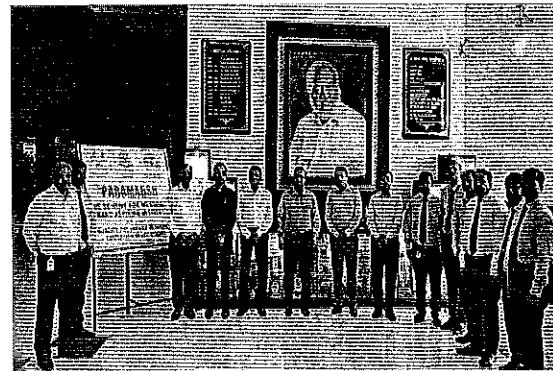

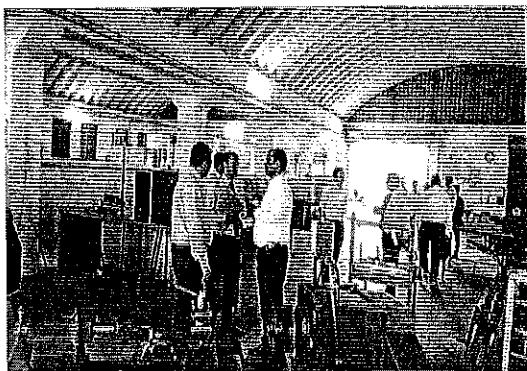

Arrival of Team AISSMS at Dnyanshree Institute.

A Brief Presentation of DIET

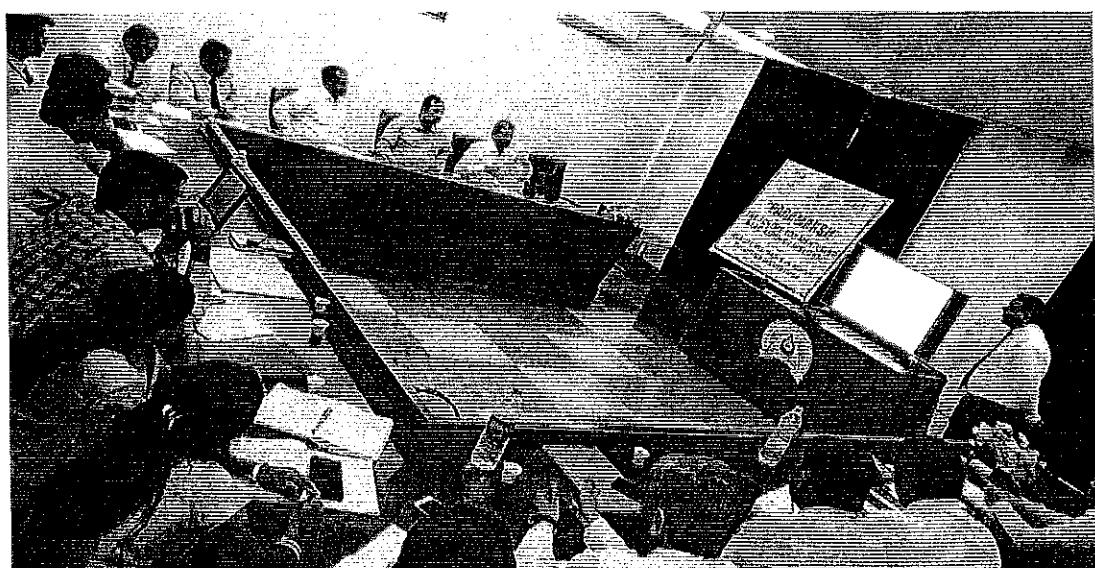

After a presentation the ASSMS team visited institute campus and have a look over infrastructural and other facilities available in the institute.

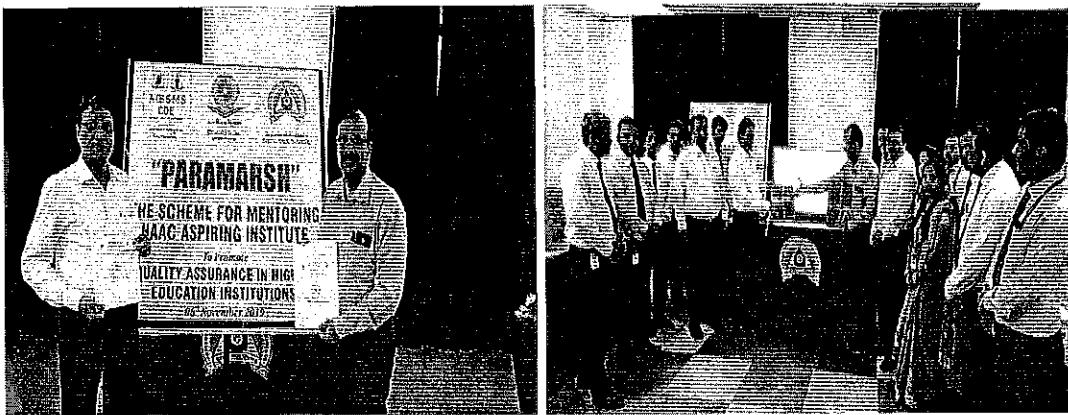

Visit of Team AISSMS at Dnyanshree Campus.

A formal meeting of all present members has been conducted at Board room. AISSMS team members explains various activities that will covers on following issues

1. Training of faculty and staff for proper process, documentation and presentation.
2. Sharing of knowledge, information and resources.
3. Opportunities of research collaboration and faculty development.
4. Guidance and encouragement to institutions to adopt best practices.
5. Advantages of NAAC accreditation.

Dr. D.S. Boramane, Principal, AISSMS addressing to DIET NAAC steering team.

“PARAMARSH”, the Scheme for Mentoring NAAC Aspiring Institute.
On 06/11/2019.

Programs ended with a ceremonial vote of thanks.

Memorandum of Understanding

College of Engineering-Pune**

And

Shri Gajanan Shikshan Sanstha's

**Shri Sant Gajanan Maharaj
College of Engineering, Shegaon-444 203
Dist. Buldhana (M.S.)**

Memorandum of Understanding

The MEMORANDUM OF UNDERSTANDING (MOU) is between **AISSMS's College of Pune-01** (Hereafter called AISSMSCOE) as **Mentor Institute** approved under the scheme of 'Paramarsh' for Mentoring NAAC Accreditation Aspirant Institutions to promote Quality Assurance in Higher Education and **Shri Sant Gajanan Maharaj College of Engineering, Shegaon** (Hereafter called – SSGMCE) as **Mentee Institute**, jointly work to enhance the overall quality and mentoring the non-accredited mentee Institution to get an NAAC accreditation, is signed on 20 Sept 2019.

This MOU entered into between AISSMSCOE and SSGMCE represented in this MOU by the respective Heads of institution on behalf of Governing Council, of their Institutes which shall mean and include their successors in interest and assigns.

Following points are agreed upon as part of this understanding:

Terms & Conditions

1. Mentoring will facilitate the following

- Training of Faculty and staff for processes, documentation, presentation
- Sharing of knowledge, information and resources
- Opportunities for research collaboration and faculty development
- Guidance and encouragement to institutions to adopt best practices.

2. Nature of Relationship:

This MOU is for collaboration between both parties, for mutual benefit.

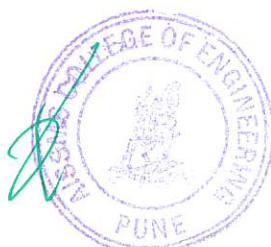

Mentee Benefits:

- Brings about enhancement in the overall Quality of the Mentee Institutions.
- Enhances the profile of institutions as a result of improved quality of research, teaching and learning methodologies.
- Receive support in the professional Development of Academics.
- Increased exposure and speedier adaption to best practices.

Mentor Benefits:

- Additional learning acquired from experience
- Intellectual challenge of working in different environment
- Opportunities for increased collaboration
- Satisfaction of helping other and see them succeed.

This MOU will be valid for one year from the date of signing and can be extended upto two years. Both parties shall take all reasonable steps to ensure the successful completion of the collaboration and NAAC accreditation of mentee institute and co-operate with each other.

3. Mutual Obligation:

Mentor institute shall meet the expenses as per UGC guidelines.

Each party shall respect the other's intellectual property (IP) and shall not use any trade name, trademark, symbol/logo, or designation belonging to the other, with prior written approval.

Both parties shall maintain confidentiality about any information, course material, plans, discussions, strategies or any other material, which shall be deemed to be confidential and marked accordingly. Any information, course material or the like in the public domain shall not be part of this commitment.

Both parties shall maintain record of execution of the implementation Plan which includes various activities like mentor-mentee meetings, developing strategies, defining goals and deliverables.

The mentee institutions may undergo the complete Accreditation process with the help of mentor institution in order to prepare them for the actual NAAC assessment process.

3 General

3.1.1 Both parties will designate a representative from its side who will be the primary point of contact on behalf of that party.

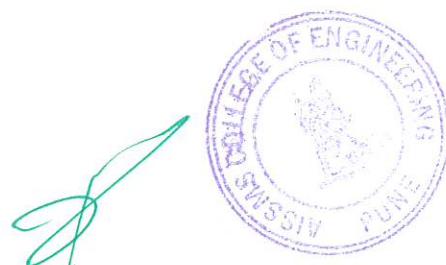

AMENDMENT TO THE MOU

No amendment or modification of this MOU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to an amendment of this agreement. The modification/ changes shall be effective from the date on which they are made/ executed unless otherwise agreed to.

ARBITRATION

In the events of any dispute or difference between the parties hereto, such disputes or differences shall be resolved amicably by mutual discussion of the Principal/Directors of both the institutes.

Now, therefore, for and in consideration of the foregoing premises the parties have signed the Memorandum of understanding on 20/09/2019.

The primary point of contact from the mentor and mentee institute are:

To
The Principal,
AISSMS College of Engineering,
Pune

Sub : UGC Paramarsh scheme for mentor mentee institute for NAAC

Dear Sir,

This is with reference regarding "PARAMARSH" UGC Scheme. Our college Shri Sant Gajanan Maharaj College Of Engineering is ready to accept AISSMS College Of Engineering Pune as Mentor for NAAC Activity under "PARAMARSH" Scheme Of UGC.

The details are as follows

1. NAAC coordinator

Prof A.S Manekar
HOD .Department Of Information Technology,
SSGMCE Shegaon
Contact No 9028288008
Mail Id : hod_it@ssgmce.ac.in

2. Head of the organisation details

Dr S.B.Somani
Principal,
SSGM College Of Engineering Shegaon
Contact No: 9422182216
Mail Id : principal@ssgmce.ac.in

3. Brief profile of the college

Shri Sant Gajanan Maharaj College of Engineering, Shegaon (SSGMCE), one of the premier institutes in the field of engineering, was established in 1983 by Shri Gajanan Shikshan Sanstha, Shegaon. It is affiliated to Sant Gadge Baba Amravati University, Amravati; recognized by AICTE, New Delhi and approved by DTE, Maharashtra State, Mumbai. SSGMCE has the recognition of being the re-accredited institute by NAAC, Bangalore and the courses are also accredited by NBA (3-4 times), AICTE, New Delhi. The Institute was selected as the Network Institute under NPIU's TEQIP, MHRD, Govt. of India under Phase-I. SSGMCE is honoured with Dewang Mehta National EDUCATION LEADERSHIP AWARD – 2015 & 2016, CII-GRATITUDE AWARD, Nov. 2016 and honoured as Management College of the Year 2016 by Higher Education Review Magazine, Nov. 2016. Career360 Magazine, April 2017 ranked the institute as "AAA".

The Institute offers 5 Undergraduate engineering courses and 5 Postgraduate (4 Engineering and 1 Management) courses. All the laboratories have been recognized as centers for Ph.D programme.

P T O

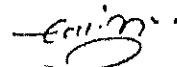

Scanned by CamScanner

SSGMCE has its own vision and mission to make the Institute to become one of the best institutes in the region. Due to globalization, technology is changing rapidly and to cope up with the rapid changes, SSGMCE has its own dedicated Research Center which has the state of the art set up with VLSI and Embedded System Design Center (CADENCE & XILINX equipped), SAP ERP Center, Data Centre, Electrical Power Research Lab, IP Cell, Multimedia Unit, and Entrepreneurship Development Cell by DST, Govt. of India. Also the Ministry of Micro, Small and Medium Enterprises (MSME), Govt. of India has sanctioned a scheme titled "Financial Assistance for Entrepreneurial Development". SSGMCE is recognized as the Scientific and Industrial Research Organization by DSIR, Govt. of India. It has established the Solar Radiation Monitoring Centre by CWET, Chennai, MNRE Govt. of India, Specifically designed Energy Storage Bank tested by CPRI, Bangalore & ERTL, Mumbai having its own Solar Research Center and its Solar Energy Products are approved by MNRE, Govt. of India and used by various sections of the society. Other facilities of SSGMCE include Sant Gajanan Tool Room (Advanced VMC & CNC machines), CAD/CAM, CFD Center, Skill Development Centre, Advance Welding Centre, IIT Remote Centre, High Voltage Testing Facility etc.

The Institute has signed MOUs with various companies and entered into agreements with Industrial and Research Organizations in different fields and sectors to promote different forms of interaction and assists students to connect themselves with the changing scenario in engineering. The institute has academic collaborations with De Montfort University, Leicester, UK, Membership of Confederation of Indian Industries (CII), Member of ISBA, Govt. of India, STEPs - Science and Technology Entrepreneurs Parks, MOU with Maharashtra Chamber of Commerce Industries and Agriculture (MACCIA), Mumbai, Vidarbha Industries Association (VIA) and, Many MOU's are signed with Industry partners like, Scientech Ltd., OASIS, ORACLE, MSME-DI, Legrand India Pvt. Ltd, Hindustan Unilever Ltd., Vardhan Sintex etc., for Technology Transfer, Project Work, and Training Courses for Summer Internship Project

Thanking You

With Regards

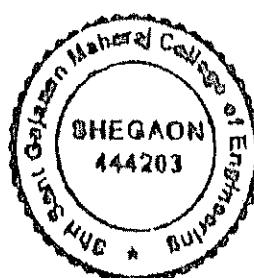

(Dr. S.B. Somani)

Memorandum of Understanding

Between

**ALL INDIA SHRI SHIVAJI MEMORIAL SOCIETY'S
COLLEGE OF ENGINEERING, PUNE – 411001**

AND

FLUID TECHNICS, PUNE-411038

(Two years since 01/01/2020)

PREAMBLE

Whereas, The AISSMS College of Engineering, Pune-1 is affiliated to the Savitribai Phule Pune University, Pune and approved by AICTE. It conducts undergraduate courses in various engineering disciplines of Chemical, Civil, Computer, Electrical, Electronics, Mechanical, Mechanical Sandwich and Production Sandwich and post graduate engineering courses in Chemical, Civil (Structure), Computer, Electrical (Power Electronics and Drives), Electronics and Telecommunication (Microwave) and Mechanical Engineering (Automotive and Design).

Whereas, the Fluid TECHNICS, Pune-38 is engaged in Water treatment and wastewater treatment related sales and services.

Address:-

35/2, Ushashree Sahajanand Society, Kothrud,
Pune - 411038, Maharashtra, India

Whereas both the parties have decided to agree to establish industry-academic collaboration in the areas of mutual interest and in accordance with terms and conditions as set forth in this Memorandum of Understanding (MoU).

OBJECTIVES OF MOU

1. To promote Industry institute interaction.
2. To provide access to industrial environment for the students and faculty.
3. To promote any other appropriate mode of interaction agreed upon between industry and institute.

Now, therefore this agreement is signed between the parties;

The AISSMS College of Engineering, 1, Kennedy Road, Pune - 411 001, Maharashtra (Hereinafter referred as AISSMS, COE, Pune)

And

The Fluid TECHNICS, 35/2, Ushashree, Sahajananda Society, Kothrud, Pune-411038 (Hereinafter referred as Fluid TECHNICS, Pune)

Whereas, the following is agreed upon by both the parties

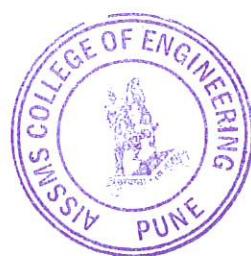

(A) SCOPE AND TERMS OF INTERACTION The AISSMS, COE, Pune and Fluid TECHNICS, Pune shall encourage interaction between the engineers, research fellows, faculty members and students through following arrangements

1. Fluid TECHNICS, Pune shall share their knowledge and expertise by way of joint conferences and seminars/workshops through expert lectures.
2. Fluid TECHNICS, Pune shall provide industrial training to few students of AISSMS, COE at its office
3. Fluid TECHNICS may depute its personnel to conduct expert lectures at AISSMS, COE, Pune.
4. Fluid TECHNICS, Pune will facilitate periodic field visits to faculty and students of AISSMS COE to enable them to get practical exposure and learning from interaction with professionals.
5. Fluid TECHNICS, Pune would offer summer internship to interested students of AISSMS, COE at its factory/ project locations so that students get hands on experience of live projects. The number of students who can be considered for the internship would be as mutually decided between Synergy and AISSMS, COE every year.
6. Fluid TECHNICS, Pune may showcase its business activities at the seminar or workshop or conference etc. at AISSMS, COE.
7. Fluid TECHNICS, Pune would help the students of AISSMS, COE for project based learning by allowing to carryout PG/UG projects depending upon the nature of work as per rules of the respective institutes depending on facilities and requirements.
8. Fluid TECHNICS & AISSMS, COE shall work jointly on certain technical problem faced by Synergy Process, Pune.
9. Fluid TECHNICS & AISSMS, COE may nominate one faculty for each project given by Fluid TECHNICS, Pune. The faculty shall closely monitor the progress of the project & shall closely monitor the program review meeting at the Industry once a month.

(B) FINANCIAL ARRANGEMENTS

The collaborative program between AISSMS, COE, Pune-1 and Fluid TECHNICS Pune-38 shall be **Academic & Industry related with no financial implications**.

(C) INTELLECTUAL PROPERTY RIGHTS

Rights regarding publications, patents, royalty, ownership of software/design/product etc. developed under the scope of this MoU, shall be decided by both the parties by mutual consent, till then no party will have any kind of legal rights whatsoever on the publications, patents, royalty, ownership of software/design/product etc.

(D) CONFIDENTIALITY

The AISSMS, COE and the Fluid TECHNICS agree to hold in confidence all information/data which is obtained from either side or created during the performance of the MoU and will not disclose the same to any third party without written consent of the other side.

(E) COORDINATORS

Both sides will designate one or two persons who will be responsible for overall coordination and implementation of this agreement.

(F) DURATION OF MOU

This MoU will come in force from the date of signing of the MoU by the representatives of both the parties. It will remain valid for a period of two years, and may be continued after suitable review and mutual agreement. Either party may terminate the MoU by giving written notice to other party three months in advance. Once terminated, neither AISSMS, COE nor Fluid TECHNICS will be responsible for any losses, financial or otherwise, which the other party may suffer.

This MoU is signed on this day of Wednesday of 01/01/2020, by both the parties, subject to approval of the respective academic / administrative bodies.

Memorandum of Understanding

Between

**ALL INDIA SHRI SHIVAJI MEMORIAL
SOCIETY'S COLLEGE OF ENGINEERING,
PUNE - 411 001**

AND

**ASHKINGS ENTERPRISE- FLY ASH BLOCKS, PLANTS,
CONSTRUCTION EQUIPMENTS, NASHIK**

PREAMBLE

Whereas, the AISSMS College of Engineering, Pune is affiliated to the Savitribai Phule Pune University, Pune and approved by AICTE. It conducts undergraduate courses in various engineering disciplines of Chemical, Civil, Computer, Electrical, Electronics and Telecommunication, Mechanical, Mechanical Sandwich and Production Sandwich and post graduate engineering courses in Chemical, Civil (Structure), Computer, Electrical (Power Electronics and Drives), Electronics and Telecommunication (Microwave) and Mechanical Engineering (Automotive and Design).

Whereas, ASHKINGS ENTERPRISE- FLY ASH BLOCKS, PLANTS, CONSTRUCTION EQUIPMENTS, NASHIK is India's one of the proficient manufacturers and suppliers of premium quality Fly Ash Bricks, Plasters, Paving Blocks and Cement. Established in the year 2005, Brick making machines are manufactured using quality-tested components & advanced technology and popular in the market because of their reliable performance, easy operation, low maintenance and long functional life, among others. This company is well known for supplying huge quantity of FlyAsh bri^cks to various projects and is also engaged in developing various machineries for Fly Ash bricks production. This company is aided by a team of industry experts and engineers to help customers in repairing any type of brick manufacturing plant. Their long list of clients includes names such as Mahindra Life spaces Developers Ltd., Co-Resist Pvt. Ltd. and Vascon Engineers Ltd.

Whereas both the parties have decided to agree to establish industry academic collaboration in the areas of mutual interest and in accordance with terms and conditions as set forth in this Memorandum of Understanding (MoU).

OBJECTIVES OF MOU

1. To promote Industry institute interaction.
2. To provide Lab Development.
3. To promote any other appropriate mode of interaction agreed upon between industry and institute.

Now, therefore this agreement is signed between the parties:

The AISSMS College of Engineering, 1, Kennedy Road, Pune - 411 001,
Maharashtra (Hereinafter referred as AISSMS, COE, Pune)

And

ASHKINGS ENTERPRISE- FLY ASH BLOCKS, PLANTS,
CONSTRUCTION EQUIPMENTS, NASHIK

HEAD OF DEPARTMENT
CIVIL ENGINEERING
AISSMS's COE, PUNE-1.

Whereas, the following is agreed upon by both the parties

(A) SCOPE AND TERMS OF INTERACTION

The AISSMS, COE, Pune and **ASHKINGS ENTERPRISE**, shall encourage interaction between the engineers, research fellows, faculty members and students through following arrangements

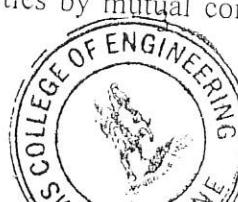

1. INDUSTRY shall share their knowledge and expertise by way of joint conferences and seminars/workshops.
2. INDUSTRY shall provide practical training to AISSMS, COE students.
3. INDUSTRY may depute its personnel to conduct expert lectures at AISSMS, COE, Pune.
4. INDUSTRY will facilitate periodic field visits to faculty and students of AISSMS COE to enable them to get practical exposure and learning from interaction with professionals.
5. INDUSTRY would offer summer internship to interested students of AISSMS, COE at its factory/ project locations so that students get hands on experience of live projects. The number of students who can be considered for the internship would be as mutually decided between **ASHKINGS ENTERPRISE** and AISSMS, COE every year.
6. INDUSTRY may showcase its business activities at the seminar or workshop or conference etc at AISSMS, COE.
7. INDUSTRY would help the students of AISSMS, COE for project based learning by allowing to carryout PG/UG/Research projects depending upon the nature of work as per rules of the respective institutes depending on facilities and requirements.
8. **ASHKINGS ENTERPRISE** & AISSMS COE shall work jointly on certain technical problem faced by **ASHKINGS ENTERPRISE**
9. AISSMS, COE shall nominate one faculty for each project given by INDUSTRY. The faculty shall closely monitor the progress of the project & shall closely monitor the program review meeting at the Industry once a month.

(B) FINANCIAL ARRANGEMENTS

The collaborative program between AISSMS, COE and **ASHKINGS ENTERPRISE** shall be Academic & Industry related with no financial implications.

(C) INTELLECTUAL PROPERTY RIGHTS

Rights regarding Publications, Patents, Royalty, Ownership of software design/product etc. developed under the scope of this MoU, shall be decided by both the parties by mutual consent, till then no party will have any

Amol R

kind of legal rights whatsoever on the publications, patents, royalty, ownership of software/design/product etc.

(D) CONFIDENTIALITY

The AISSMS, COE and the INDUSTRY agree to hold in confidence all information/data which is obtained from either side or created during the performance of the MoU and will not disclose the same to any third party without written consent of the other side.

(E) COORDINATORS

Both sides will designate one or two persons who will be responsible for overall coordination and implementation of this agreement.

(F) DURATION OF MOU

This MoU will come in force from the date of signing of the MoU by the representatives of both the parties. It will remain valid for a period of **Ten years**, and may be continued after suitable review and mutual agreement. Either party may terminate the MoU by giving written notice to other party three months in advance. Once terminated, neither AISSMS, COE nor INDUSTRY will be responsible for any losses, financial or otherwise, which the other party may suffer.

This MoU is signed on this day of 03/04/2018 by both the parties, subject to approval of the respective academic/administrative bodies.

Memorandum of Understanding

Between

**ALL INDIA SHRI SHIVAJI MEMORIAL SOCIETY'S
COLLEGE OF ENGINEERING, PUNE – 411 001**

AND

**METTECHNIK
Pune – 411 026**

PREAMBLE

The AISSMS College of Engineering, Pune is affiliated to the Savitribai Phule Pune University, Pune and approved by AICTE. It conducts undergraduate courses in various disciplines of engineering such as Chemical, Civil, Computer, Electrical, Electronics, Mechanical, Mechanical Sandwich and Production Sandwich and post graduate courses in Chemical, Structure, Computer, Power Electronics and Drives, Microwave, Automotive and Design.

This agreement is signed between

Whereas, AISSMS College of Engineering, Kennedy road, Pune - 411 001, Maharashtra. (Herein after referred as AISSMSCOE)

Whereas, METTECHNIK is engaged in surface treatment of metals and heat treatment of ferrous metals with its registered office at 113/9, S-Block, Near Tanna Udyog, Telco Road, MIDC, Bhosari, Pune 411026

Whereas the parties have decided to agree to establish industry academic collaboration in the areas of mutual interest and in accordance with terms and conditions set forth in this memorandum of understanding (MoU).

OBJECTIVES OF MOU

1. To promote Industry institute interaction.
2. To promote industry driven research and innovation
3. To provide access to industrial environment for the students and faculty.
4. To promote any other appropriate mode of interaction agreed upon between industry and institute.

SCOPE AND TERMS OF INTERACTION

Both AISSMSCOE and METTECHNIK shall encourage interaction between the engineers, research fellows, faculty members and students through following arrangements

1. METTECHNIK shall share their knowledge and experience by way of joint conferences and seminars/workshops.
2. METTECHNIK shall provide practical training to AISSMS COE students at industry
3. METTECHNIK may depute its personnel to conduct expert lectures at AISSMS COE

4. METTECHNIK will arrange to provide periodic field visits to faculty and students of AISSMS COE to enable them to get practical exposure and learning from interaction with members of industry.
5. METTECHNIK would offer summer internship to interested students of AISSMS COE at its factory/ project locations so that students get hands on experience of live projects. The number of students who can be considered for the internship would be as mutually decided between METTECHNIK and AISSMS COE every year.
6. METTECHNIK may seek assistance/ guidance of AISSMS COE faculty members in technical problems, trouble shooting etc.
7. METTECHNIK may showcase its business activities at the seminar or workshop or conference etc at AISSMS COE.
8. METTECHNIK would help the students of AISSMS COE for project based learning by allowing to carryout PG/UG projects depending upon the nature of work as per rules of the respective institutes depending on facilities and requirements.

FINANCIAL ARRANGEMENTS

1. The collaborative program between AISSMS COE and METTECHNIK shall be coordinated by a coordination committee appointed by Directors of both the Institutes.
2. Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.

INTLLECTUAL PROPERTY RIGHTS

Rights regarding publications, patents, royalty, ownership of software/design/product developed etc. under the scope of this MoU, shall be decided by the two parties by mutual consent.

COFIDENTIALITY

The AISSMS COE and METTECHNIK agree to hold in confidence all information/data which is obtained from either side or created during the performance of the MoU and will not disclose the same to any third party without written consent of the other side

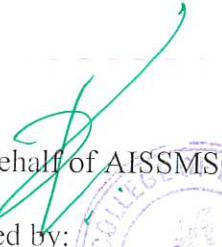

COORDINATORS

Both sides will designate persons who will have responsibility for coordination and implementation of this agreement.

DURATION OF MOU

This MoU will take effect from the date it is signed by the representatives of the parties. It will remain valid for five years and may be continued thereafter after suitable review and agreement. Either party may terminate the MoU by giving written notice to other party six months in advance. Once terminated, neither AISSMS COE nor METTECHNIK will be responsible for any losses, financial or otherwise, which the other party may suffer.

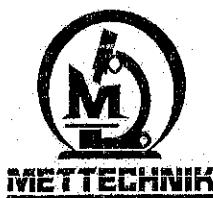

This MoU is signed subjective approval of the respective academic/administrative bodies.
