It's an honour for IEI Student Chapter to conduct another successful episode of e expert talk during this time of pandemic.

Being able to provide students the best of opportunity and platform of knowledge and experience is what our focus is. In this era where communication skills play a great role in achieving any goal we conducted this workshop focusing on how to develop these skills.

We were thankful to Mrs. Pragya Bhajpai Mam to held a two days workshop for students across the country.

Inculcating the ethic of working as global leaders in the students which are the future of the country was the mission of this workshop.

VISION: Nurture the talent in civil engineers to work as global I

The session was very interactive and students participated enthusiastically. The guest speaker shared her experience and explained the importance of communication skills. Students were giving a very attentive ear to the session.

Various points were covered in the presentation. Right from what things affect the communication skills and how should to understand and figure them out was taught and explained by giving a simple activity and examples.

Later there was detail explanation about the types of communication and it's affect. Right from body language which is a non verbal form of communication to the words that should be used while drafting a mail .

How a smile can change the scenario at any place was also explained with wonderful examples.A very experience wise enriching and beneficial presentation it was in short.

After the presentation, a question session round was held, the host presented the questions to which very precise answer was given by the expert. The expert made sure that she clears all the doubts of the students.

Feedback link was shared at the end of the webinar. As per the received feedback, participants found the session very interesting and helpful as the session helped them taking a brief decision about their future

Vote of thanks was presented by the host at the end of the first knowledgeable day.

Students were eagerly waiting for the second day session to begin.

### REPORT

The guest lecture was heartily welcome by Vaishnavi Chumbalkar. The guest speaker Dr.Utpal K. Ganatra is serving as a Lecturer in English and Contributor Personality Development Programme at Government Polytechnic, Dahod. He also worked as Assistant Professor of Communication Skills at St. Stephen Institute of Business Management & Technology, Anand. Dr.Utpal was a Visiting Faculty of English Smt. S. I. Ipcowala College of Commerce, Petlad.

The session was very interactive and students participated enthusiastically. Opinions, thoughts, experiences and suggestions were shared by the expert Dr.Utpal with the attendees. Why most of the Engineers are unemployed? was discussed by the expert. The expert discussed the following topics in his presentation like unemployment, external personality, internal personality, hard skill, soft skill, communication skill, leadership quality, problem solving, intuition and logic, adaptability, curiosity, time management, agility, humility and patience, etc

“Scientist study the world as it is, Engineer create the world that has never been”. Sir further added “Graduates are collecting their degree despite not being skilled enough to be a productive part of Indian economy”. Sir advised students to develop themselves in such a way that companies should approach them and will to hire them. Sir friendly and motivational talk made our students engrossed in the webinar. Sir explained students how internal personality is equally important to external personality giving example of a ice cream cone. Sir explained that developing external personality is like watering the leaves whereas developing internal personality is like watering the roots.

‘If you can breathe on your own, you can also learn on your own’. By saying this phrase Utpal Sir motivated students to be your own teacher. Sir explained hard skill, soft skill and communication skill while giving different example. Sir explained his presentation by giving different and unique example which made the guest lecture exciting and interesting.

‘Leaders are readers, readers become leaders’, this was the motto given by Sir. ‘You can lead a horse to water...but it has to drink’, Sir advised students to read more

and more and guided students to update themselves regularly. Dr. Utpal Sir made sure that he clears all the doubts of the students.

Vote of thanks was given by Ritesh Tanpure. Megha Chiwande Ma'am presented a small token of appreciation towards our valuable guests and the webinar was concluded at 12.15pm by HOD Awari Sir by expressing his gratitude.

Feedback link was shared at the end of the webinar. As per the received feedback, participants found the session very interesting and helpful as the session helped them taking a brief decision about their future.

It was indeed a brainstorming session through which students could take away key points and induce them in their life and improve their skillset. At the conclusion of the conference, HOD Awari Sir expressed his gratitude.

Few pictures from the session.

### Preamble:

Skill and Knowledge are the driving forces of economic growth and social development for any country. In the changing world scenario with regard to industry and job market, there is always need of skilled manpower. So College has taken an initiative to provide soft skill / aptitude training to students to sustain in competition.

In regard of this, Training Session is organized to all students (from FE to BE) with professional training organization **IHHI Pune**. The extensive training is provided in each semester (12 to 18 hours) by professionals.

Typically following pattern is followed (per sem)

- FE: Psychometric Test
- S.E – Communication Skill Development Training (18 hrs)
- T.E. – Aptitude Training (12 hrs)
- B.E. – Soft Skill (12 hrs)

### Objective:

- To create awareness among the students about the soft skill training.
- To provide opportunities for all students to acquire basic skills to get desired job / market employability.
- To strengthen the placement activity of the institute.

### Functions:

- To organize training sessions at different levels for all students (SE, TE and BE) of all departments with the help of professional organization.
- To encourage students to complete the training sessions and get benefit out of it.
- To monitor the activity throughout the semester and take feedback from students for any corrective action if necessary

### Preamble:

Skill and Knowledge are the driving forces of economic growth and social development for any country. In the changing world scenario with regard to industry and job market, there is always need of skilled manpower. So College has taken an initiative to provide soft skill / aptitude training to students to sustain in competition.

In regard of this, Training Session is organized to all students (from FE to BE) with professional training organization **IHHI Pune**. The extensive training is provided in each semester (12 to 18 hours) by professionals.

Typically following pattern is followed (per sem)

- FE: Psychometric Test
- S.E – Communication Skill Development Training (18 hrs)
- T.E. – Aptitude Training (12 hrs)
- B.E. – Soft Skill (12 hrs)

### Objective:

- To create awareness among the students about the soft skill training.
- To provide opportunities for all students to acquire basic skills to get desired job / market employability.
- To strengthen the placement activity of the institute.

### Functions:

- To organize training sessions at different levels for all students (SE, TE and BE) of all departments with the help of professional organization.
- To encourage students to complete the training sessions and get benefit out of it.
- To monitor the activity throughout the semester and take feedback from students for any corrective action if necessary

## TRAINING COMMITTEE

### Report for AY 2021-22

Training for quantitative aptitude, Logical reasoning, mathematical aptitude was arranged for students. For this academic year due Corona and Pandemic situation, college was closed for almost entire year. But still majority training was successfully conducted through **online and offline mode**.

For all TE class training was conducted online.

For SE class training was conducted offline.

### Preamble:

Skill and Knowledge are the driving forces of economic growth and social development for any country. In the changing world scenario with regard to industry and job market, there is always need of skilled manpower. So College has taken an initiative to provide soft skill / aptitude training to students to sustain in competition.

In regard of this, Training Session is organized to all students (from FE to BE) with professional training organization **IHHI Pune**. The extensive training is provided in each semester (12 to 18 hours) by professionals.

Typically following pattern is followed (per sem)

- FE: Psychometric Test
- S.E – Communication Skill development Training (18 hrs)
- T.E. – Aptitude Training (12 hrs)
- B.E. – Soft Skill (12 hrs)

### Objective:

- To create awareness among the students about the soft skill training.
- To provide opportunities for all students to acquire basic skills to get desired job / market employability.
- To strengthen the placement activity of the institute.

### Functions:

- To organize training sessions at different levels for all students (SE, TE and BE) of all departments with the help of professional organization.
- To encourage students to complete the training sessions and get benefit out of it.
- To monitor the activity throughout the semester and take feedback from students for any corrective action if necessary

## TRAINING REPORT

AY 2022-23

Training for quantitative aptitude, Logical reasoning, mathematical aptitude was arranged for students. For this academic year the training is arranged entirely through offline mode. For all SE class 18 hours training was conducted in Semester I and remaining 18 hours were conducted in semester II. For all TE classes entire 36 hours training was conducted in semester II.

The training was conducted in various formats like 1day / week or 2 days per week. It is designed as per department requirement and maintains continuity in academics...

## Soft Skill Training for SE Class

To,  
The Heads of Department,  
AISSMS COE Pune

29/09/2022

Aptitude training session for S.E. is organized from 29<sup>th</sup> September to 01<sup>st</sup> October 2022 through hybrid mode.

The training includes **logical reasoning, mathematical quantitative aptitude** etc. It is designed for 18 hours (6 hrs/day). The detail schedule including list of trainer is already shared with respective department co-ordinators and attached herewith for your perusal.

For students, attendance is compulsory and it will be monitored strictly. On successful completion of the training program, students will get a certificate. This certificate will be a pre-requisite for placement process.

## TRAINING REPORT

AY 2022-23

Training for quantitative aptitude, Logical reasoning, mathematical aptitude was arranged for students. For this academic year the training is arranged entirely through offline mode. For all SE class 18 hours training was conducted in Semester I and remaining 18 hours were conducted in semester II. For all TE classes entire 36 hours training was conducted in semester II.

The training was conducted in various formats like 1 day / week or 2 days per week. It is designed as per department requirement and maintains continuity in academics...

8. Brief of visit:

The students of second Year Computer Engineering visited Bal Kalyan Sanstha on 11<sup>th</sup> Sept 2023. The purpose of the visit is to spread love and experience unforgettable moments. Institute is deeply concerned about overall development of special children and youth. As a regular ongoing endeavor The Bal Kalyan Sanstha provides facilities free of cost to special children for their recreation and sports. 4000 special students from 85 special schools are the beneficiaries. The activity starts with curiosity and ends with a sense of satisfaction at accumulating important knowledge in an enjoyable manner. Bal Kalyan Sanstha offers an ideal environment for their overall growth and

believes in encouraging the children every way possible, a humble yet attractive comfortable spacious building with lush green lawns. Lovely myriad blossoms welcome the children every day. The institution has warm affectionate and extremely diligent teachers to coach the children to develop various skills.

We distributed Biscuits and Playing material to them. This visit made students to realize that how privileged we are to be born as a normal human being and also made them empathies toward challenges face by the special children.

The one day visit was organized with prior permission of **Bhau Institute of Innovation Entrepreneurship and Leadership, Pune.**

IoT (Internet of Things) is among emerging technologies that will produce a million new opportunities in the next decade. Bhau institute also aligns itself with the DeitY (Department of Electronics and Information Technology, Govt. of India) vision of “To develop connected, secure and smart IoT based systems for our country’s Economy, Society, Environment and Global needs”. Bhau Institute is focusing on IoT as one of the main focused areas for the reasons:

- National Importance
- The emerging demand from entrepreneurs and industry

- Bridging the industry-institute gap in this space
- Opportunity to make a significant impact and contribute to the development of this field.

Bhau Institute will try to capitalize on the market forces and work to provide a platform for Indian entrepreneurs and investors focused on innovation and integration in this space.

Few of the initiatives are:

- Smart energy meters
- Partnering with in IoTiot.in as thrust area Community Partner to create an IoT Centre of Excellence at Bhau institute.
- IoTiot.in undertakes FREE upskilling of deserving students/ aspirants to help create startups in IoT. So far, this initiative has trained over 60 students and plans to train 120 more by the end of this year with the hope of creating some globally leading startups in IoT space.
- Hold regular meet-ups at Bhau institute to bring together industry, entrepreneurs and academia.
- The Govt. of India's plan of developing 100 smart cities in the country could also lead to a massive and quick expansion of IoT in the country and Bhau institute would help create indigenous innovations and local entrepreneurs to help convert this vision into reality.

## **Seminar on “Become a Successful Chemical Engineer”**

**(24<sup>th</sup> November, 2022)**

## **Seminar**

**Title : Become a Successful Chemical Engineer**

**Invited Speaker : Mr. Sameer Sathe**

**Date : 24<sup>th</sup> November, 2022.**

**Time : 10:30 AM**

**Venue : Room 333**

**Student Coordinator : Mr. Himanshu Lanke (SE Chemical Engineering)**

**Faculty Coordinator : Dr. M. Baingne**

**Faculty Advisor : Prof. P. M. Warke**

Department of Chemical Engineering, AISSMS College of Engineering, Pune-01 organized a seminar on the topic “Career Opportunities for Chemical Engineers” on November 24, 2022. Mr. Sameer Sathe, a Chemical Engineering graduate and a certified Trainer by NABET & SQA, was the invited speaker for the seminar. He holds MBA in Marketing & is pursuing Ph.D. in Marketing. He is having rich hands on work experience of more than 30 years, which includes corporate work experience of more than 20 years. This event was managed by student Coordinator Mr. Himanshu Lanke under the supervision of Dr. M. Baingne, a faculty from Department of Chemical Engineering. The session started at 10:30 AM with the facilitation of speaker by Prof. P. M. Warke. Then Dr. M. Baingne introduced the speaker to the audience. The event lasted for more than an hour. Around 40 participants comprising of faculty members as well as students attended this talk.

The session commenced with the introduction of the speaker **Mr. Sameer Sathe** by Dr. M. Baingne. Then, Mr. Sameer Sathe started with his presentation by breaking the myth that the scope for chemical engineers is limited. The speaker gave an overview of various Career Opportunities available for Chemical Engineers and drew our attention towards the diversity of scope. The speaker took the audience (chemical engineers in the making) to a journey through different sectors and job profiles that are fit for chemical engineers. He highlighted that a particular career choice requires a specific set of skills. The speaker discussed in detail which skill sets are needed to be developed and worked upon for a specific job profile.

This informative session was accompanied by the doubt clearing session in which students actively participated to get their doubts cleared. The seminar ended with a vote of thanks by Dr. M. Baingne to Mr. Sameer Sathe. Special thanks were given to all the participants for attending this knowledge sharing event.

The AIChE Student Chapter, AISSMS COE & the Department of Chemical Engineering organized a two-day Orientation Program on Motivational topics for Chemical Engineers on 29<sup>th</sup> & 30<sup>th</sup> July 2020. The registration of the program started one day before. It was open for SE, TE, BE students and all faculty

members from AISSMS College of Engineering. Four sessions were held on the first day three sessions on the second day.

The program opening was done with an inaugural ceremony on the first day. The ceremony was graced by the H.O.D, all faculty members, students and guest from the first session.

### Day 1, Session-1:

This session was on the topic of Yoga & Pranayam. The speaker for this session was **Ms. Sapna Dahiwal**, a yoga and reiki instructor. She demonstrated various techniques of brain yoga, acupressure, meditation, etc and discussed its benefits. Few more things discussed were; yoga keeps the body fit and meditation keeps the mind still. Overall, it was a great start to the program. All the participants enjoyed it a lot. This session was compered and coordinated by Ms. Manali Kulkarni, Chapter President.

## Day 1, Session-2:

The session initiated with the introduction of the speaker, **Mrs. Archana Nene** by Ms. Dikshita Mehta (student coordinator). Mrs. Archana is a Psychotherapist, Bramalea Community Health Centre, Brampton, Canada; she then took over by performing a quick mind-calming exercise which all the participants followed by observing her. She started her talk by explaining what stress is and telling about the types of stress. She cleared that all stress is not necessarily bad but it can be differentiated into good and bad stress. In the end, she again practised a breathing exercise with the participants. The students actively participated and got their doubts cleared from Mrs. Archana Nene.

## Availability of Student Counselling Facility in our College

It has been observed that self development plays an extremely important role in achieving the personal and professional excellence of an individual. Self analysis helps to strengthen our positive traits and overcome weaknesses and hindrances. During the achieving of excellence, we face various difficulties ranging from anxiety, stress, fear of change, failure, homesickness, sleep disorder, addiction, phobia of interview, presentation, examination, public speaking, stage, etc. apart from academic worries, in our life. Support and guidance from professional counsellors in such cases help us to overcome these difficulties, which leads us to achieve physical, mental and emotional well being and the success.

In view of this, All India Shri Shivaji Memorial Society has appointed Institute of Holistic Healing India Pvt Ltd, Pune for providing 'one to one' counselling and personal guidance and their expert Counsellors will be available in our College. Our College has established Student Counselling Cell (SCC) to facilitate and coordinate this process, the Members of which are as follows:

1. Mr S V Chaitanya (Coordinator)
2. Mr S B Dhekale
3. Ms P P Vast

Students who want to avail this facility should contact following SCC Members:

FE: Ms P P Vast  
 (Mo - 9970048840, Email - [ppvast@aiissmcoe.com](mailto:ppvast@aiissmcoe.com))

SE, TE, BE: Mr. S B Dhekale  
 (Mo - 9049996282, Email - [sbdhekale@aiissmcoe.com](mailto:sbdhekale@aiissmcoe.com))

You may contact the Members personally, through mobile (call, SMS, WhatsApp, etc), email, or any other media through which you feel comfortable. Complete confidentiality regarding counselling process and students' names will be maintained.

All students are appealed to take benefit of the same and excel in their life.

## F.E. INDUCTION PROGRAM 2019

As per the directives received from the AICTE, the two week Induction Program was held in AISSMS College of Engineering, Pune from 8th August to 17th August 2019 with a firm purpose to introduce the students to an experience that not only makes them comfortable in an all new environment but also helps their overall development, increases their group dynamics, initiates their inclination to social and moral responsibilities before inculcating the technical know-how's of various professional courses. Distinguished speakers and eminent people from varied backgrounds were called to illuminate the minds of students while also pruning their health with activities of sports and yoga. The activities planned for the Induction Program listed below, could be segregated into two main heads. First being, the existing issues or lacunas in the incoming batch and secondly the professional standard to which the institute desires them to reach.

### PROBLEMS TO BE ADDRESSED AND OVERCOME:

1. New unfamiliar environment
2. Home Sickness (hostel life)
3. Peer pressure and its consequences
4. Promote bonding within batch mates
5. Build relations between teachers and students
6. Poor daily routine
7. Little or absolutely no knowledge of Pune University
8. Getting accustomed to the college, its processes and its facilities
9. Understanding one's role in Social Aspects like awareness, responsibilities and contributions

## 10. Deepening one's personal interest in the selected professional course

### **SKILLS TO BE ACQUIRED:**

1. Striving for excellence
2. Creating a holistic outlook towards life
3. Developing meta-skills like dreaming big, learning through experiences
4. Understanding opportunity in disguise and seizing the moment
5. Working on Soft Skills needed to be globally employable
6. Identifying character traits and Building professional ethics
7. Understanding societal inter-relationships and one's role in building the society
8. Making life's this transition, a stepping stone to success
9. Exploring oneself as an individual: eradicating time wasters and inculcating healthy habits
10. Developing Group Dynamics in activities, sports, visits and Creative sessions

AISSMS College of Engineering's Department of First Year Engineering, under the expert guidance of Dr. D. S. Bormane took the Induction Program activity very seriously since the importance of its implication was very well understood. The team consisted of the Head of Department Prof. V. R. Patil, Dr. A. B. Patil, Prof. A. B. Thakare and Dr. P. A. Nagawade who went beyond not only time constraints but also out of their comfort zone to plan activities that really would benefit the students for their overall development. The very well planned activities were then distributed to the enthusiastic 11 Guardian Faculty Members (GFMs) and 22 Mentors of the different groups consisting of a combination of divisions for understanding and timely implementation. The GFMs and Mentors were assigned particular responsibilities for the smooth functioning of the program. Every single person of the department including the support staff did everything they could to provide maximum hospitality

and minimum waste of precious moments of the designated speakers who were invited to deliver the different sessions.

## F.E. INDUCTION PROGRAM AY 2022-23 (SEMESTER I)

In accordance with the AICTE's guidelines, the two-week Induction Program was held at the AISSMS College of Engineering in Pune from November 14 through November 26, 2022. Its primary goal was to accustom the students to a new environment while also promoting their overall growth. Distinguished speakers and eminent individuals were called to enlighten their minds while also improving their health through various activities, before instilling them with the technical know-how of numerous professional courses.

AISSMS College of Engineering's Department of First Year Engineering, with the expert guidance of Dr. D. S. Bormane undertook the Induction Program activity very seriously since the importance of its implication was very well understood. The Induction Program's organizer, Prof. A. B. Thakare, worked with the department's head, Dr. D. V. Nighot, and Dr. A. B. Patil to get eminent speakers. All members of the First Year Engineering Department's extended team, both teaching and non-teaching, went above and beyond time constraints and personal comfort zones to carry out online activities that would be truly beneficial to the students' overall growth. The passionate faculty members of the various divisions took on the task of the very well-executed HOD-Student engagement activity for smooth, branch-oriented, and timely implementation.

## Report of FE Student Induction Program

**Program Level:** Under Graduate

**Program Type:** First Year Student Induction Program

**Duration in days:** 2 Week

**Date:** 14/11/2022 to 26/12/2022

**Organized by:** AISSMS COLLEGE OF ENGINEERING, PUNE

**Main Objective of the Program:** The goal of the induction programme for students is to make the newly enrolled students feel at ease, encourage them to explore their academic interests and activities, reduce competition and encourage them to strive for excellence, foster a sense of community among them, foster relationships between them and their teachers, and provide a broader perspective on life and character development. The component on Universal Human Values will serve as an anchor, foster awareness and sensitivity, a sense of equality, compassion, and unity, and call attention to humankind and the natural world. Additionally, it causes people to consider their interactions with their families and other relatives while still in college. Additionally, it links kids with one another and with professors so they can communicate any problems they may be having and get assistance.
