Workshop on
'Engineers as Entrepreneurs'
(June 12, 2020)

Workshop

Title	: Engineers as Entrepreneurs
Speaker	: Mr. Hasit Trivedi
Date	: June 12, 2020
Time	: 7:00–8:30pm
Platform	: ZOOM meeting
Coordinators	: 1. Faculty Coordinator Mr. P M Warke 2. Student Coordinators 1. Ms. Dikshita Mehta (SE Chemical Engineering) 2. Ms. Shivani Ninal (SE Chemical Engineering)

On June 12, 2020, the AIChE Students' Chapter, Department of Chemical Engineering, AISSMS College of Engineering, Pune-1, organized a Workshop on the topic "Engineers as Entrepreneurs". Mr. Hasit Trivedi, the invited Speaker for the Workshop is the Founder Member of a consultancy in renewable energy 'ARENEC' Pune and an Associate with Applied Environmental Research Foundation (AERF). The Webinar was arranged and coordinated by the faculty coordinator Mr. P M Warke and student coordinator Ms. Shivani Ninal and Ms. Dikshita Mehta. The session started at 7:00 pm, which lasted for one and half hour. It had participation of around 20 students.

The session initiated with the introduction of the speaker Mr. Hasit Trivedi by Ms. Dikshita. Afterwards, Mr. Trivedi started with the Workshop in which he told about how engineers can become entrepreneurs. He first told the meaning of an entrepreneur in which he told how entrepreneurs are different from businessmen. Then, he gave his first activity to the participants to think and tell five qualities they have to become an entrepreneur and five things which will hold them back. Then, he explained the process of becoming an entrepreneur. Next, he gave his second activity in which he asked the participants what kind of attitude should one have to become an entrepreneur. The students gave answers such as patience, humbleness, dedication, hardwork and creativity. Next, he told how he had established his consultancy ARENEC and the struggle involved in setting it up. Lastly, he discussed the outlook of an Engineer as an Entrepreneur and ended by giving three 'mantras' to the aspiring entrepreneurs.

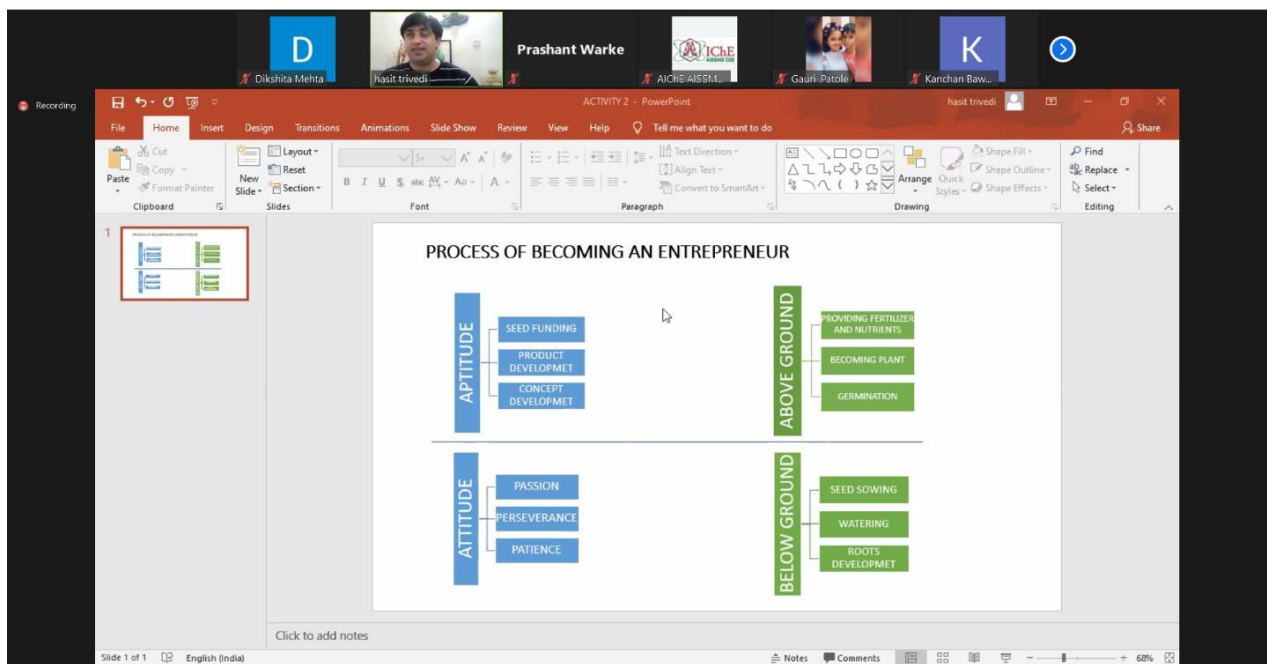

The students actively participated in both the activities, discussed well with Mr. Trivedi and got their doubts cleared.

The W/S ended with a vote of thanks by Ms. Dikshita to Mr. Hasit Trivedi. A special thanks was given to Mr. P M Warke for arranging this W/S and to all the participants for attending the same. At the end E-certificates were given to the participants after the Workshop.

Acknowledgement

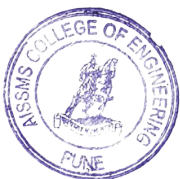

The Organizing Committee sincerely thanked the invited speaker for sparing his valuable time. The Organizing Committee also thanked Mr. P M Warke, Faculty Member at Department of Chemical Engineering for facilitating this workshop and Liaising with the speaker. We sincerely thank Dr. P N Dange, AIChE Students' Chapter Advisor and Head, Department of Chemical Engineering for his unceasing support and guidance. We deeply acknowledge encouragement by our Hon. Principal, Dr D S Bormane for organizing this event. We further thank Hon. Secretary and the Management of AISSMS Society, Pune-5, for constant support in organizing such activities. Lastly, organizers profoundly thank the participants for their patient hearing during the session.

Subject: Approval to arrange One Day Seminar.

Respected Sir,

We have organized one day seminar for SE E&TC students on Java Technology on 10/04/2019 by Mrs. Deepa Ubhe, SEED Infotech Ltd Pune. Total 77 students of SE E&TC students had attended the seminar.

Following are the contents covered-

1. Java Applets
2. Multithreading
3. Exception Handling in Java
4. Java form based application

In view of this please approve Rs. 2250/- as a remuneration of guest Mrs. Deepa Ubhe ,SEED Infotech Ltd Pune. She is having total 13 years of experience as an IT corporate training.

Please do the needful

Thanking You,

OBJECTIVE

To grow a challenging career in software development on Java, .Net, C Programming, C++ and Oracle technologies by leveraging my knowledge, organizational and customer service skills and be a core asset to an organization.

WORK EXPERIENCE

Organization : Seed Infotech Ltd
Duration : From Jan-2007 till date
Designation : Sr. Subject Matter Expert, Academic Head & Technology Mentor

Technology

Java, .Net, Oracle 11g - SQL, PL/SQL, C Programming, C++

SCRIPTING LANGUAGE

HTML, HTML5, CSS, CSS3, Java Script, JQuery, Bootstrap

RESPONSIBILITY

My responsibilities entailed understanding and identifying the changing requirements of various industries in Java, .Net, C Programming, C++ and Oracle technologies and aligning/ upgrading the students from our institutes to be capable of addressing their short term and long term needs of developments/ manpower.

Our institute ensured that the course content and skills developed are sustainable. As a key faculty I had to design & deliver the course content as well as was responsible for customizing for reputed Companies like Zensar and Siemens.

EDUCATIONAL QUALIFICATIONS

Management in Business Administration in Information Technology 2017
Dr. D.Y. Patil College of Engineering Pimpri, University of Pune

Bachelor of Science (Maths) 2005
Garware College, University of Pune

SEMINAR & CONFERENCE AND OTHER ACTIVITIES

- Seminar at different College on C Programming ,C++ ,SQL and Core Java
- Workshop on C&C++ at Wadia College Pune.
- Corporate Training on Database for “Zensar Technologies” in Colleges like Zeal College, Sinhgad College of Engineering (Narhe,Wadgao), Tathavde College of Engineering, Wadia College, Shahu College of Engineering (Kolhapur).

ACHIEVEMENTS

Received Quarterly Appreciation award 3 times

Subject: Invitation as a speaker for Expert talk on “**Java Applets**”.

Respected Sir,

We are honoured to invite you as a speaker for expert talk on “**Java Applets**” for SE E&TC students scheduled on 10th March 2019 organised by **E&TC Department AISSMS COE, Pune**. Aim of the session is to create awareness of Java Applet usages for various application developments and usage of modern tools and technologies for Java Technology. Your experience in this field will help participants to get insights towards the topic and apply it for research.

Thank you in advance for your consideration and we are very much looking forward to hearing from you.

With warm regards,
Regards,

Students Activity Report

Name of the Activity: Expert Talk on Java Applets

Speaker: Mrs. Deepa Ubhe

Details of Activity:

- Date: 10/04/2019
- Time: 1.00 to 2.00 pm
- Total Number of Participants: 77

Objective of Activity:

- Java applets are used to provide interactive features to web applications and can be executed by browsers for many platforms.
- They are small, portable Java programs embedded in HTML pages and can run automatically when the pages are viewed

A guest lecture was organized by the Department of Electronics & Telecommunication AISSMS college of Engineering for S E (E&TC) students on the topic "**Java Applets**". Mrs. Deepa Ubhe, SEED InfoTech Ltd Pune explained about the Java Applets to be in various application developments. She also discussed the importance of advanced software tools and how it can be used for implementation of software based projects. The session was very informative and the students could catch up with the importance of advanced tools and technologies.

Out Comes:

- Java applets is a robust and powerful tool which produces highly interactive programmers students could use in their learning of theoretical concepts.
- Due to its interactivity and independency towards platforms in any computers, Java applets are widely used in many fields to enhance learning in classroom as well as outside the classroom.
- It is also used to encourage interactive learning among students.
- Java applets are also used in online assessments in many educational institutions.

- Dr D G Bhalhe, HOD, E & TC Engineering
- Prof.K.B.Chaudhari, Workshop Coordinator
- Prof.N.P.Mawale, Faculty Advisor, IE(I) student chapter, AISSMS COE,Pune

Objective:

- Acquire skill sets to work on open source hardware and software platforms
- To orient participants with IOT technology.
- Design and implementation of small projects using Arduino
- Learn to work in team.
- To show sensitivity towards societal problems.

Details of Activity:

Day and date: Thursday, 10th October 2019

Time: 2.00 pm onwards

Venue: Circuit a& Simulation laboratory

Details of Judges:

1. Dr Sarika Panwar, AISSMS's Institute of Information Technology, Pune
2. Dr D P Gaikwad, HOD, Computer Department, AISSMS COE, Pune.

Projects exhibited by: BE (Elex) students

Target Audience:

All TE, SE students of the department

Entry Fees and Prizes:

The exhibition was funded by institute and IE(I) student chapter. No entry fees was charged from students. The mini projects completed by students were evaluated and 1st and 2nd ranked projects were given certificates.

Total Number of Participants: 49 students

Faculty Coordinator:

- Prof. K.B.Chaudhari

Photographs:

Inauguration Function

Outcomes:

1. Participants understood practical aspects of IoT and Arduino.
2. They acquired skill-sets to work on open source hardware like Arduino and software like Python.
3. Students could suggest cost effective solution to some societal problems and demonstrated team work while working on mini project.

We are planning a four days certification workshop on Raspberry Pi under one faculty one industry signed by our faculty Mr Nitin Mavale. The industry involved is IOCARE, Pune. Mr Rajendra Kope from IOCARE, Pune is a resource person for workshop. This workshop will be very much helpful to students for upgrading their knowledge and improving skills in the field of IoT. Details of workshop are as follows:

Title: A Hands-on workshop on IoT and its Applications

Duration: 4 Days

Date: 25 September 2019 and 28 September 2019

Time: 10.15 am to 5.30 pm

Venue: Seminar Hall of E & TC Department

Proposed budget for the workshop is as follows:

Sr No	Description of Expense	Rate in Rs.	Approximate Expenditure in Rs.
1.	Remuneration to the resource person	5000/- per day	20000/-
2.	Sponsorship from IE(I) student chapter	-	5000/-
3.	Tea/ snacks	100/- per day	400/-
4.	Certificates	12/- per student	700/-
5.	Flex board		500/-
	Total		26600/-

The resource person is bringing following material with him.

1. Raspberry Pi boards: 10 no.
2. Alexa modules: 5 no
3. Various sensors.
4. Wi-fi router
5. Access to Amazon cloud management systems.

purchase/1 Jan
put up for approval

The workshop is focused on application of modern technologies like voice enabled technology; cloud technologies, application of MQTT protocol which are not covered in our regular

curriculum and now a day's very much needed. The day-wise contents of the workshop are attached herewith for your perusal.

After completion of workshop, the students will be able to:

1. Apply knowledge of engineering fundamentals to design of embedded systems.
2. Provide the solutions by using the Modern electronic and IT Engineering Tools and Technologies for practicing electronic Engineering problems
3. Function effectively as an individual, member or leader of a team.
4. Demonstrate the ability to learn the impact of industries on society by using industrial products for analog and digital circuits and systems
5. Demonstrate understanding of the engineering management principles and apply these to manage projects and in multidisciplinary environments

The workshop is 30 hours conducted by Industry. Thereby we also request you to allow us to use industry logo on the certificate along with our college logo and IE(I) logo.

This is for your permission and sanction of budget.

Thanking You.

Subject: Requirement of Central Computing facility

Sir,

Department of E & TC is conducting hands on workshop on IoT and its application for BE(Electronics) students. We are facing internet related issues in our seminar hall. For smooth conduction of the workshop, we require central computing facility for 2 days.

Dates: 04 and 05 October 2019

Class: BE(Electronics)

Time: 9.30 am to 5.30 pm

Total no of participants: 60 students

Kindly permit us to use central computing facility for above mentioned dates and time.

Thanking you,

Sincerely,

Subject: Invitation as Resource Person for four days workshop "Hands on workshop on IOT and its Applications".

Dear Sir,

Department of Electronics and Telecommunication, AISSMS College of Engineering has planned four days workshop on "Hands on workshop on IOT and its Applications". The dates for workshop are 2nd October to 5th September 2019. The workshop is intended for BE E & TC students of AISSMS College of Engineering, Pune. We would like to invite you as resource person for this workshop. It will be a great pleasure to host you at our institute as resource person.

We hope you will accept our invitation. We look forward to your positive response.

Subject: Thanks for conducting four days workshop "Hands on workshop on IOT and its Applications"

Dear Sir,

Thank you very much for sparing your precious time and giving valuable inputs on "Hands on workshop on IOT and its Applications" to all BE class students of Department of E & TC Engineering, AISSMS College of Engineering, Pune, from 2nd October to 5th October 2019. Your expertise in the subject has helped our students a lot and made them more confident in the field of IoT. It was a great pleasure to host you at our Institute as the resource person.

We hope that this cooperation will continue in the future.

- Dr D G Bhalhe, HOD, E & TC Engineering
- Prof.K.B.Chaudhari, Workshop Coordinator
- Prof.N.P.Mawale, Faculty Advisor, IE(I) student chapter, AISSMS COE,Pune

Objective:

- To learn fundamentals of IoT and its global impact
- Acquire skill sets to work on open source hardware and software platforms
- To orient participants with IOT technology.
- Design and implementation of small projects using Raspberry Pi

Details of Activity:

Outcomes:

The participants were very much satisfied with the contents of workshop.

1. Participants achieved basic knowledge of Raspberry Pi and practical aspects of it. .
2. They acquired skill-sets to work on open source hardware like Raspberry Pi and software like Python.
3. Students could suggest cost effective solution to some societal problems and demonstrated team work while working on mini project.
