Date: 2nd July 2018

Time: 11:30 – 12:30pm

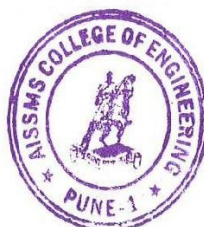

GUEST LECTURE BY MR. PUSHKAR DESPANDE ON VARIOUS WAYS TO CRACK GATE

Under the IEI Students Chapter of Civil Engineering Department of AISSMS COE, Pune, a lecture was conducted by Mr. Pushkar Deshpande on “How to crack GATE?” on

The lecture was about his experience of GATE and how easily it can be cracked. It started with a short introduction of the speaker. Being the alumni of the college, it didn't take much time to break the ice. He had an urge to enlighten all the students by sharing his experience in qualifying GATE exam. He first started with his educational background. He graduated from AISSMS COE with distinction and has been a bright student since his schooling. His consistent increase in GATE score and All India Rank has been an inspiration for all. In GATE 2016, his AIR was 4778 which consistently went up in 2018 – AIR 1757

He introduced the gathering with the GATE exam basics. The syllabus, important topics, areas of weak points, etc. The advantage of GATE AIR was a new point which barely anybody knew. The session went on smoothly for the next half an hour which was fun filled, knowledgeable enough and worth the wait.

Students not only enjoyed his session but also all the barriers were broken and doubts were cleared. Success comes to those who willingly try to put in their efforts was something what everyone learnt from him. The speaker motivated all and also shared his contact number to reach him. The session was then concluded with a vote of thanks.
