## REPORT

The guest lecture was heartily welcome by Vaishnavi Chumbalkar. The guest speaker Dr.Utpal K. Ganatra is serving as a Lecturer in English and Contributor Personality Development Programme at Government Polytechnic, Dahod. He also worked as Assistant Professor of Communication Skills at St. Stephen Institute of Business Management & Technology, Anand. Dr.Utpal was a Visiting Faculty of English Smt. S. I. Ipcowala College of Commerce, Petlad.

The session was very interactive and students participated enthusiastically. Opinions, thoughts, experiences and suggestions were shared by the expert Dr.Utpal with the attendees. Why most of the Engineers are unemployed? was discussed by the expert. The expert discussed the following topics in his presentation like unemployment, external personality, internal personality, hard skill, soft skill, communication skill, leadership quality, problem solving, intuition and logic, adaptability, curiosity, time management, agility, humility and patience, etc

"Scientist study the world as it is, Engineer create the world that has never been". Sir further added "Graduates are collecting their degree despite not being skilled enough to be a productive part of Indian economy". Sir advised students to develop themselves in such a way that companies should approach them and will to hire them. Sir friendly and motivational talk made our students engrossed in the webinar. Sir explained students how internal personality is equally important to external personality giving example of a ice cream cone. Sir explained that developing external personality is like watering the leaves whereas developing internal personality is like watering the roots.

'If you can breathe on your own, you can also learn on your own'. By saying this phrase Utpal Sir motivated students to be your own teacher. Sir explained hard skill, soft skill and communication skill while giving different example. Sir explained his presentation by giving different and unique example which made the guest lecture exciting and interesting.

**Vision:** Nurture the talent in Civil Engineers to work as global leaders for development of society

'Leaders are readers, readers become leaders', this was the motto given by Sir. 'You can lead a horse to water...but it has to drink', Sir advised students to read more and more and guided students to update themselves regularly. Dr. Utpal Sir made sure that he clears all the doubts of the students.

Vote of thanks was given by Ritesh Tanpure. Megha Chiwande Ma'am presented a small token of appreciation towards our valuable guests and the webinar was concluded at 12.15pm by HOD Awari Sir by expressing his gratitude.

Feedback link was shared at the end of the webinar. As per the received feedback, participants found the session very interesting and helpful as the session helped them taking a brief decision about their future.

It was indeed a brainstorming session through which students could take away key points and induce them in their life and improve their skillset. At the conclusion of the conference, HOD Awari Sir expressed his gratitude.
