Date: 16.08.2018
Time: 09.00 am – 06.00 pm
Event Report:

The NSS Unit of AISSMS's College of Engineering, Pune comprising of 18 members went to Tulapur village located about 32 km from Pune City.

The main motive of our visit was to give the brief information about "Swachh Bharat Abhiyan" & Govt. of Maharashtra schemes and also to spread the importance of cleanliness in the society as we are also a part of this society.

We reached at around 9:30 am in the village & had conversation with the Gram Panchayat officer Mrs. Jyotsna about the open drainage. The drainage water spread on the road and in front of the school premises so that it was very difficult to enter in the school. The dirty smell of drainage water finds very difficult to sit in the class. The AISSMS COE student observed it and decides to give the solution to this problem. They analysis the problem and prepared the plan and discussed with the grampanchyat member, Sarpanch and Gram Sevak as well as the head master of the school. They all gave some suggestion and we finally commenced the work of soak pits at 10:10 am.

We made a pit for the tank of sewage water in the primary school. A team of 4 students went to the class for teaching and briefing them about cleanliness and different education schemes for the students. They took the lecture and revision of the students. They also gave an idea about plastic pollution and how plastic waste affects the environment and encouraged them to minimize the use of plastic.

The remaining 14 volunteers started to work for making the soak pit as requested by the villagers. The volunteers started by marking the pit of size 4ft X 4ft and started digging the pit. The pit of 5 ft height was dug by the volunteers in about 4 hours. Then, a ready cement tank of size 4 x 3.5 ft. was lifted by the volunteers and set in the pit. The pit was then filled with rocks, stones, bricks and mud.

The volunteers thus completed this work within 8 hours work. The volunteers enjoyed a cup of tea after the work was completed and then everyone departed towards college with a feeling of satisfaction. The team had a great time with the villagers and students of the primary school in the village.

Event Report:

The Union and State Government launches several schemes for the citizens of India from time to time. They are launched for the purpose of improving the livelihood of the people and providing security for leading a better life. Each scheme is launched to provide benefits to the individual in certain areas of their life. Some schemes grant financial security while others aim to provide socio-economic measures. The beneficiaries covered under most of the individual schemes are the rural people, urban poor, low-income families, economically backward sections or weaker sections of the society. There are so many diverse schemes Atal Pension Yojana, Unnat Jeevan by Affordable LEDs and Appliances for All (UJALA), Ayushman Bharat Yojana, Grameen Kaushalya Yojana or DDU-GKY, Pradhan Mantri Gramin Awaas Yojana, Pradhan Mantri Matritva Vandana Yojana, Deen Dayal Upadhyaya Antyodaya Yojana, Pradhan Mantri Adarsh Gram Yojana, Pradhan Mantri Kaushal Vikas Yojana, Pradhan Mantri Suraksha Bima Yojana, Pradhan Mantri Jeevan Jyoti Bima Yojana, Pradhan Mantri Jan Dhan Yojana, Pradhan Mantri Awas Yojana, Antyodaya Anna Yojana, Pradhan Mantri, Ujjwala Yojana, Swamitva Yojana etc launched by government, but whether these scheme reached to the last beneficiary is an important to check specially in rural area. All these Schemes introduced for Rural Development to assist the poor families living below the poverty line in rural areas for taking up self-employment. These schemes are funded by the Central or State Government.

In this context, NSS volunteers took an initiative and spread the awareness about the schemes at kondhanpur village in pune district. They interact with the people ask them, whether they aware about the schemes or not. NSS volunteers guided to the individual villagers about the scheme benefits as well the documents required for the same and where to submit the proposal of the scheme.
