Event Report:

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit conducted a webinar on the occasion of World Environment Day. The Chief Guest made us aware and encouraged us about the actions for the protection of the environment. Then our audience asked some question to our Guest and it was very interactive and intellectual session for everyone. The host expressed gratitude towards our chief guest, principal and our program officer, the staff and the students for gracing the webinar. Before concluding we captured this wonderful moment.

## Report

On the occasion of World Environment All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit also organized a tree plantation program and the NSS volunteers did an enthusiastic participation in the activity. They were said to plant a sapling in their nearby area without breaking any rules related to Covid-19.

Date: 25th June 2020

Event Report:

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit participated in "Spitting Kills Campaign" and created an awareness regarding "SPITTING KILLS".

Experts have determined that spitting spreads the virus and chewing tobacco, gutkha, etc. causes an urge to spit, our NSS unit has created awareness among 6000+ people by telling them to take pledge regarding the same and still the campaign is in progress. This is an initiative taken to avoid the spread of Covid-19 due to spitting.

AISSMS College of Engineering Pune has received an appreciation letter on the behalf of "Pledge for Life" team for supporting the campaign.

## Event Report:

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit conducted a webinar on women empowerment through financial literacy. Even in the 21<sup>st</sup> century, India is still seen as a male dominated country. Even today, females are worshiped as Lakshmi by everyone but aren't financially literate, to help women manage their home as well as their finance. Money is an important part of financial freedom. The end goal is freedom and, 'stable finance brings freedom.

Webinar started and our Principal Dr. D.S. Bormane Sir and our Program Officer Dr. N.N. Shejwal Sir spoke a few words and welcomed our Guest of honor Miss Shikha Mittal.

Then our host introduced our Chief Guest Miss Shikha Mittal ma'am, the founder and director of Be. Artsy, a non-profit social awareness enterprise that leverages the power of art to influence positive social impact.

In all it was a great session which proceeded to the future where our Chief Guest addressed our audience where ma'am taught them about the importance of financial literacy and financial freedom. She shared with us the golden rule for being financially stable which is  $3/3=1$ . Basic concepts regarding finance were clear. Our audience then asked a few questions and they were answered very satisfyingly by our guest of honor. It was a really interactive session and was helpful for each and every audience.

No. Participants: 50

Date: 09 Nov 2020

Event Report:

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit held an event titled "Be Vocal Buy Local", held for 6-7 days.

Diwali, the festival of lights, is a celebration that marks the victory of good over evil, light over darkness, knowledge over ignorance. Diwali is celebrated all over communities of India, creating a homogenous environment of goodwill and happiness. It is a time for both, gratitude and gaiety. So this year our NSS team had thought to celebrate this Diwali Eco-friendly & to work this idea we organize an event for preparation of this event we had arranged 3-4 meetings. This Diwali 2020 we made a difference & took initiative to make difference by helping Local Vendors by buying Local Products to motivate everyone to buy local. Our volunteers had made a short video on the occasion of Diwali. Celebrating Diwali is not just about bursting Fire Crackers and eating Diwali's special snacks (Faral), but to light the life of others and fill it with joy and happiness. Firing/bursting crackers leads to Pollution which is harmful for both Nature as well as humans. The ratio of economy of people states that there numerous people who has very less economy and within that it's hard to manage the regular necessities and for them Diwali seems to be as a forbidden fruit. So why not, everyone contribute a little amount for their happiness. So our NSS team decided to do some dedication to our Society.

Time; 11:00 am – 12:00 pm

Event Report:

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit on the occasion of Farmers Day, held a webinar which was witnessed by Chief Guest Dr. Manohar Khake Sir, Principal Dr.D.S. Bormane Sir, Prof. N. N. Shejwal Sir, AISSMS and other college lecturers, 122 participants joined us on this occasion which was organized on Microsoft teams, an online platform. Along with the protection of our soldiers, Farmers are considered the backbone of our country. We know farmers are very important as they are the ones who provide us with the nutrition n healthy food that we eat. Nearly 70% of the rural household depend on the farming, with around 82% farmers being small n marginal. As per 2018, agriculture employed more than 50% of the Indian work forces and contributed 17–18% to country's GDP. Certain years ago, there was a shift from traditional farming to farming with chemicals and pesticides. India was gravely short of foodgrains, and this agricultural shift came in handy. With massive inputs of chemical fertilisers, pesticides and water, high crop yields were achieved. The purpose of holding the webinar was to know the importance of Organic Farming. Considering issues of health and economy in the modern world, organic farming will prove to be a viable option for every consuming human and the producing farmers as well. Webinar started at 11am. Our host introduced the event and asked our Program Officer Dr. N.N. Shejwal Sir and Principal Dr. D.S. Bormane Sir to welcome our Chief Guest. They also gave information about Dr. Khake's book, 'Matiche Swarup Ani Sendriy Khate' and added few words regarding 'Unnat Bharat Abhiyan'. Then our host introduced our Chief Guest to the audience and requested them to address the crowd. Then Dr. Manohar Khake Sir, with his immense knowledgeable words, started discussing his ideas with Students. He put forth his concept of 'Air Irrigation'

Participants: Teaching, Non-Teaching Staff and Volunteers

No. Participants: 142

Date: 12/01/2021

Time; 12:00 am to 4:00 pm

Event Report:

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit gave the pre-information about Health Check-up Camp to all the villagers. The main moto of health check-up camp was to administer health assessment, spread health awareness and provide health counselling. In such a pandemic situation it's very important to take care of our health. So, our Principal Dr. D. S. Bormane Sir & Prog. Officer Dr. N. N. Shejwal Sir also motivated the villagers to do their Health Check-up.

A health check-up camp had been set up in Kalyan (Pune) by NSS volunteers. Body-Temperature, Oxygen-level, was checked on every patient before getting the check-up. In the camp, proper medical treatment of the villagers and remedial measures were provided, all free of cost, including the basic medicines required for an early recover. Our NSS volunteers took down the details of the people who came for this health check-up. Villagers shared their problem with doctor & got the best treatment from them. NSS volunteers encouraged the villagers to do simple activities on a regular basis to get rid of the excessive body pain. Majority of the people were suffering from body pain, swelling, cough, fever, weakness.

Great response was observed from the villagers, 142 villagers were willing to check their physical health.

Event Report:

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit contributed towards the Polio Vaccination Drive which started from 31st January, 2021. On 1st February, 2021 there was a small inauguration held at Indira Gandhi Maternity Hospital, Old Sangavi, Pimpri-Chinchwad under the presence of Hon. Chief Guest Usha (Mai) Dhore, Mayor Pimpri-Chinchwad regarding Polio Vaccination, they explained the importance of Polio Vaccination amongst the people and also they appreciated all the hospital staff and the volunteers who provide a helping hand whenever needed. Our volunteers carried out the activity for 2 days on 1st and 2nd February 2021. Also our NSS volunteers at their place visited the nearest both and helped the clinical staff regarding the same. Nearly 4500 individuals were vaccinated, our volunteers also had door to door approach to check whether the people have vaccinated their child and also made them aware that the polio vaccination has been started and also explained,

Event Report:

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme had conducted Tree Plantation Drive on the occasion of Tree Plantation Day. As due to Covid situation there were restrictions to gather around, individuals were asked to plant a sapling in their area. The motto to conduct the activity was to make people aware about today's need to protect our environment.
